# MELVILL & MOON

## LUGGAGE

### *Overview*

*Melvill and Moon's handmade safari bags are produced in either full leather or in a combination of heavy duty waterproofed cotton canvas and leather.*

*All our bags have solid brass zips and hardware, Broad webbing shoulder straps, reinforced roller leather handles (where appropriate) and lined inner pockets.*

---

### *Range*

*Our clients need bags that combine toughness and versatility with elegance. These are bags that need to survive being tossed into the back of the roughest safari vehicles, strapped onto all manners of transports quashed into a bush plane, checked into an airline hold but also carried into a first class lounge from time to time.*

## AFRICAN RANCH BAG

---

*We were asked to produce this bag by a local cattle rancher. His requirement was for an all-purpose day bag with a wide shoulder strap that could comfortably carry the miscellaneous odds and sods that working cattleman would take on either a fortnightly trip to town, or else on ranch patrols: cell phone, veterinary odds & sods, notepad, bank bag, revolver, palm top, Leatherman, binoculars, GPS lunch, sweater, etc.*

### *Dimensions*

*Length 30cm | Width 13cm | Height 21cm | Weight 0.8kg*

## BULAWAYO BAG

---

*A Matabeleland farmer had a bag like this with him at the Bulawayo club one day – he was good enough to let us make our version of it. The bag is fully lined, has interior pockets and is constructed from good strong cotton canvas. Thanks to the fine leather finishes around the zip and handles, the Bulawayo Bag won't look out of place in more refined surroundings.*

### *Dimensions*

## ORNITHOLOGIST BIBLE/BOOK BAG

---

*In South Africa there are in fact two competing 'bibles' that serve the ornithological fraternity. On the one hand, The Roberts and on the other, Newmans. In weight, dimension and treatment they differ – but the birds are the same.*

*Both of the bird bibles fit in our bag – but not at the same time! The bag has handy pockets for the likes of hip flasks, car keys, notepads, GPS, and the odd cigar. The Ornithologist's Bible/Book Bag can be worn over the shoulder or attached to the belt.*

## RIFT VALLEY DAY BAG

---

*Based on one of Harry Moon's original Rift Valley designs, this bag works exceedingly well as a carry-on bag in the modern era. Unlike many bags that take up the airline guideline to the last millimetre, this bag won't lead you into an unseemly battle with overhead bins suddenly being too small for the task.*

### *Dimensions*

Length 48cm | Width 21cm | Height 31cm | Weight 2.4kg

## SAFARI DUFFEL MEDIUM

---

*Of all our bags, the duffels are a real pleasure on a genuine Safari. They are incredibly robust and look most at home when strapped up on a roof rack. Both the medium and short duffel feature a strong zip down the long side for easy access. They are lined on the interior, have a zip pocket for valuables and the heavy webbing strap is conveniently offset for more comfort when carrying it.*

### *Dimensions*

Length 72cm | Width 31cm | Height 28cm | Weight 2kg

**MELVILL & MOON**  
[www.melvillandmoon.com](http://www.melvillandmoon.com)

## SIDE BY SIDE WINE COOLER

---

*A friendly two bottle tote, for taking a couple of drinks when visiting mates or heading down to the local unlicensed (Thai?) restaurant. There could be your favourite red/ white/ bubbles nestling inside, some G&T or scotch and soda chilling together, side by side.*

### *Dimensions*

Length 19cm | Width 10cm | Height 35cm | Weight 0.7kg

**MELVILL & MOON**  
[www.melvillandmoon.com](http://www.melvillandmoon.com)

## SOUTH BOUND BAG

---

*Perfect large holdall with lots of pockets and tough leather straps with heavy duty buckles and adjustable shoulder straps. Ideal for a longer trip. It opens up like a traveling cupboard when you arrive at your destination. As the zips open all the way around and down and the whole bag flaps open. Too much information just try it!*

## TSAVO SPONGE BAG

---

*Denys Finch Hatton loved Tsavo National Park, he thought it the best national park in Kenya. It is indeed the largest national park in Kenya, and one of the oldest. We have named our newest toiletry bag after this park, as we're sure Denys would have had one of these along with him on any one of his trips there. With a wide accessible opening, waterproof lining and a couple of zip-up side pockets for those tiny essentials (cufflinks and emergency meds) it is both stylish and practical, especially in leather.*

## URBAN RUCKSACK

---

*A rucksack is the perfect travel companion, keeping hands free for accessing google maps or uber via your cell phone on the trot, grabbing the airport bus handles or simply cradling a much-needed coffee with both hands en route. The Grogan does it in true safari style and is for more serious journeys, but the Urban Rucksack could be far more stylish in ton with a matching leather belt! Made of oiled bovine and kudu hide, depending on availability, this neat rucksack even has space for a bottle of water on the side, a secret pocket for keys and your phone or wallet and plenty of room for all the other things you think you'll need for a good day out.*
